

Snowman Directions

By AB

1. Click on shapes and pick a circle. It should be about 3 inches wide. Make the outline black and inside white.
2. Then pick two more circles make the middle circle about 2 and a half inches wide. On the head make it about 2 inches wide. On the head and body make the outline black and inside white.
3. Draw a scarf around the neck with one side hanging down and make the outline black with 4 little strings hanging off the bottom of the scarf. Also make the inside lime green.
4. Go back to shapes and click on circle and make the line size 10 make the outline and inside black. Do this twice to make the eyes. Place the eyes about 2 or 3 cm apart and about half a cm under the top line of the head.
5. Draw a carrot nose. All of it should be orange. Then draw 7 black dots in a smiley face for the mouth.
6. Then draw 2 brown twig arms curving upwards and make 3 little lines at the end of the twigs. Last and finally draw 3 red buttons down the middle circle of the body.
